Strong House "Wish List"

HOW YOUR DONATION HELPS

Strong House Adult Day Center is committed to celebrating & stimulating older adults with memory and physical care needs. Our "wish list" below includes services that are in jeopardy and we need your support today.

ENTERTAINMENT= \$600 a month, \$7,200 annually

Outside talent visit with our clients to engage them in music, theater and dance.

ART SUPPLIES= \$300 annually

Bringing the hidden artist out of our clients through step by step art projects.

TRANSPORTATION= \$2,000 a month, \$24,000 annually

Getting our clients to and from the Strong House is crucial, as are the field trips we take. This includes the cost of gas, van insurance, maintenance, and our drivers.

PERSONAL CARE & GROOMING ITEMS = \$350 annually

Providing manicure supplies, soap, spa-like items so that our clients have a positive and comfortable experience.

GARDENING SUPPLIES = \$400 annually

From seeds, to gloves, to shovels, we need these supplies and more to help our clients create and tend to our gardens.

PRIZES & TREATS = \$750 annually

Food treats are a big deal for our clients and include: breakfast, snacks, coffee, tea, juice, ice cream, cookies, mocktails, and sandwich supplies for outings. Game prizes are also meaningful and bring joy to each 'winner'.

CLEANING = \$200 a month, \$2,400 annually

We do our best to keep our house clean, but we need extra cleaning power to make sure it sparkles.

ALZHEIMER'S AIDE = \$9,000 annually

Each year we apply for and receive funding from the state of Connecticut to pay for the services of an aide experienced in Alzheimer's care. We've been told that due to our state's budget crisis, this may not be a guarantee in 2018.

Thank you for being a Strong House Hero!

All donations are tax deductible.
